**0.72mm, 0.82mm,
0.92mm & 1mm**

MIRM will not be liable for any defects or damages arising due to fabrication negligence and errors.

The product is meant for Vertical Light duty applications only. Whereas the MIRM products are manufactured to thorough standards, the nature of the application procedure is beyond our control. The values given above are to the best of knowledge but without liability/warranty, expressed or implied. Images shown in the E-catalogue are for illustration purpose only, please refer to the actual product for colour and finish available.

CREATE FABULOUS SURFACES

Moisture Resistant

Designed for durability and peace of mind, these laminates resist moisture, impact and borer or termite attacks. With low VOC emissions, they're as safe as they are stylish..

Impact Resistant

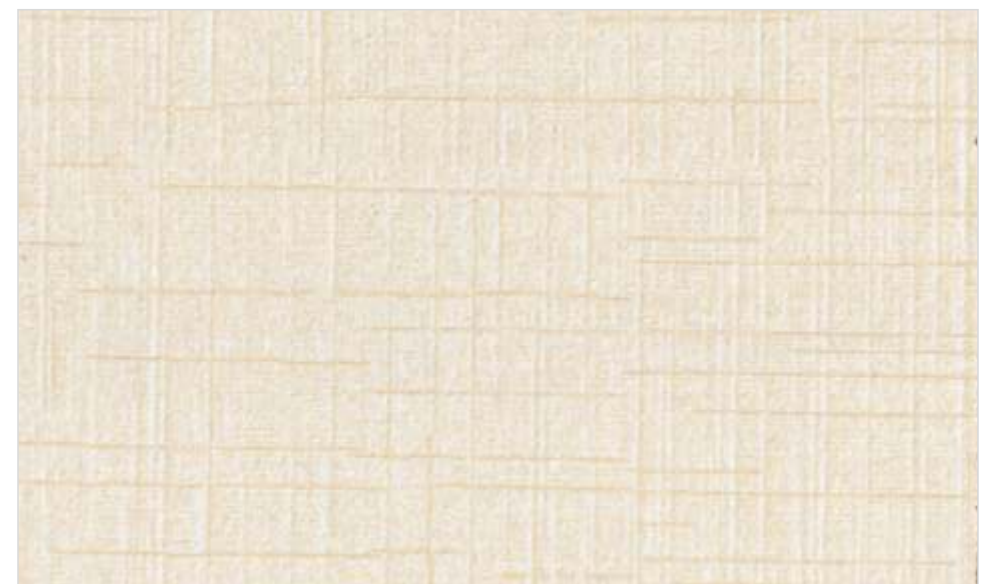

Termite Resistant

Laminate liners are used on the inner sides of wardrobes, cabinets, drawers, workspace partitions, aluminium partitions, exhibition stalls and kitchen shutters to give a neat finish and protect the surface.
